Dear DMMA members and Marina Tenants,

The Marina will be hosting a meeting to discuss final thoughts, concerns and input for the new Tenant restroom proposed for next year. I have received a few letters, and E-mails with thoughts and ideas. I've also received input from a DMMA survey distributed months back.

The meeting will be held at the Activity Center (senior center) off 216th, on Tuesday October 15th at 6:00pm. Following at 7:00pm will be the Des Moines Police Community Meeting.

Please remember you can always E-mail comments and concerns to:
swilkins@desmoineswa.gov

Thank you,
Scott Wilkins
